

VERY SOLICITOUS

The Democratic press of the first congressional district of Oregon is remarkably solicitous about the welfare of our Republican president, says the Oregon City Enterprise.

The Republican candidate retired from the position of commissioner of the general land office, not because he lacked being in harmony with the administration, but because he could not get along with Hitchcock, secretary of the interior.

Democratic solicitation for President Roosevelt is a piece of politics that won't go down Republican throats.

WANTS HERMANN ELECTED

President Theodore Roosevelt, a few days ago, said to Hon. Thomas H. Carter, president of the National Louisiana Purchase Exposition:

"There is not one word of truth in the rumor that I am opposed to Mr. Hermann's election; but on the contrary, I heartily and earnestly desire his election. I hope that every voter who believes in the principles of the party and wishes well for the administration will cast his vote for Mr. Hermann."

Mrs. Alice Gerkie, of Albany, is visiting her niece, Mrs. T. A. Riggs.

Mrs. Mary Wilson and daughter, Miss Nannie, arrived home Thursday evening from an extended visit in Missouri.

Does it ever occur to those who are fighting the proposed water-works for Dallas that every move they make puts the city to a heavy and burdensome expense?

TRIALS WERE POSTPONED

City Cases Will Come Up For Hearing on May 25.

The actions brought by the city of Dallas against Judge R. P. Boise and Mrs. M. E. Hallock for the condemnation of lands, water and water-rights necessary for the construction and operation of water-works for the city will be tried at a term of Judge Burnett's department of the Circuit Court to be held in Dallas on Monday, May 25.

The defendant's answers were not filed and issue in the cases was not joined during the session which adjourned on Thursday morning, and, as the hearing of the cases will probably require four or five days, Judge Burnett did not deem it advisable to begin their trial until week after next, and so adjourned his court until May 25.

The defendant's demurrers to the complaint were overruled.

The city is represented by William T. Muir, of Portland; W. H. Holmes, of Salem; and Sibley & Eakin, of Dallas, appear as attorneys for the defendants.

The Best Prescription for Malaria Chills and Fever is a bottle of Grove's Tasteless Chill Tonic. It is simply iron and quinine in a tasteless form. No cure, no pay. Price 50c.

Health is a magnet which irresistibly draws the man to the woman in life's mating time. Health does more than tint the skin with beauty; it puts music into the voice and buoyancy into the step, as well as happiness into the heart.

There can be no general health for women while there is disease of the delicate womanly organism. The first step to perfect health is to cure womanly diseases by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"I used four bottles of your 'Favorite Prescription' and one of 'Golden Medical Discovery,'" writes Mrs. Elmer D. Shearer, of Mount Hope, Lancaster Co., Pa., "and can say that I am cured of that dreaded disease, sterility trouble. Am in better health than ever before. Everyone who knows me is surprised to see me look so well. In June I was so poor in health that at times I could not walk. To-day I am cured. I tell everybody that Dr. Pierce's medicine cured me."

FREE. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 11 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

Local fires seem to be the order of the day. The dwelling house of C. P. Darling caught fire Saturday, and it was only by quick and hard work that it escaped destruction. Again on Tuesday, an alarm was given that the residence of Dave Courter was burning. The fire was discovered before it had gained much headway and was easily put out. Defective flues were the cause of both fires. Some of these times we will awake—but too late—to the realization of how little we are prepared to cope with fire.

The Wastes of the Body. Every seven days the blood, muscles and bones of a man of average size loses two pounds of worn-out tissue. This waste cannot be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions, the strength lets down, health gives way, and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures indigestion, Dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by Belt & Cherrington.

O. E. Focht, of Ballston, was a Dallas visitor this week.
